# SCHOOL REPORT

Fellow Citizens: In submitting this report for your consideration it is with the assurance that the Board has faithfully performed its duties; and we feel bold to say, that the school year just closed has been a very successful one, as all of the schools have been in charge and under the instruction of competent teachers.

Div. No. 1. One term of eight weeks taught by Idella Blanchard. Miss Blanchard performed very commendable service with her six pupils. Div. No. 2. The spring term was under the instruction of Miss H. R. Linnell, who did credit to herself and pupils as she had done previously.

The fall term was in charge of Minnie T. Clark. Miss Clark gained the love and respect of her pupils and the result was very satisfactory. The winter term was under the instruction of the same teacher. Miss Clark by her kindness and untiring efforts to help those placed under her charge in every thing tending to their improvement gained their confidence and good will, so that both teacher and pupils throughout the term labored harmoniously together, thus making it highly profitable to all.

Division No. 3. Spring term, Ida Child teacher. Miss Child as a teacher has few equals, being kind yet firm in her discipline, and we consider this term of school of great good to the pupils attending. Fall term, Martha H. Chandler teacher. Miss Chandler's method of instruction was very superior, especially to the primary department of the school. Winter term, Miss Sophia V. Marsh teacher. Miss Marsh is a lady of much experience in the school-room. She has a good faculty of imparting knowledge to her pupils and labors faithfully for their best interests. The scholars made good improvement during the term.

Division No. 4 was in charge of Bertha Sawyer for the year and the results attained were very satisfactory.
